1	Need more senior homes McKnight Field needs cleaning up.	6/19/2018 8:52 AM
2	Need more apartments to rent	6/19/2018 8:48 AM
3	Keep the open prairie. Don't let it be broken up into small plots.	6/11/2018 7:54 PM
4	Suggested improvements for Alma and surrounds: better marketing of schools to families; better pay for teachers; more foreign language courses; more art teachers; high school debate class; more high school history courses; high school AP courses; reduced emphasis on boy's football. Crack-down on confined feeding operations and poorly managed land/waterways; no wind towers; well-managed mowing along county roads re wildlife care and wildflower growth, reduced use of herbicides. More police cruising on county roads. Movie events in building gap West of pool. No more Dollar General-like stores; support for family owned grocery store. New library building. Long-term thinking re design of materials used for new buildings in Alma, e.g. no steel structures near county courthouse; no steel buildings in residential blocks. Encourage even more landscaping in front of businesses and shade trees. No electronic signs on banks. Thanks for reaching out to us re county planning!	6/11/2018 12:01 PM
5	bridges and roads need to be upgraded - fine line between more industry to improve our tax base and many people coming in and wanting to change what we have.	6/10/2018 5:28 PM
6	Economic inaction will jeopardize what could be an otherwise bright future. there is a great deal of potential to improve in most every sector of life.	6/9/2018 10:39 AM
7	I will touch on four points (two related). 1. Informal feed lots along K-10 Highway. Aside from the stench and visual degradation of the Mill Creek Scenic Drive, these operations appear to drain directly into Mill Creek. No catchment ponds are visible, no waste treatment evident. Perhaps the "comprehensive" plan should address this, or suggest KDHE do so. 2. and 3. related: Scattered-site housing and fire protection. Much/most of the county's new housing seems to be out in the county, in pastures and so on, remote from volunteer fire response. It's a recipe for disaster, particularly as annual rainfall diminishes and average temperatures rise. Even a brush fire can overwhelm these volunteers, who get a late start on emergencies and are under-trained, under-equipped, under-staffed. Insurance rates reflect this, of course. But I worry that we are going to start seeing fatalities. It's the task of the comprehensive plan, and the commissioners, to address these large issues. 4. The county's lack of a landfill/transfer station: I thought state law required such a facility in each county. It might help clean up the informal dumps, visible from the roads, that diminish the county's appeal to passers-by, and which I believe are illegal.	6/7/2018 9:10 PM
8	Too many city people buying up farmground	6/7/2018 11:27 AM
9	There needs to be more incentives to move to and develop businesses in Wabaunsee County. Surrounding counties provide these incentives.	6/7/2018 9:20 AM
10	There is a great divide between West and East and this needs work	6/6/2018 6:19 PM
11	There needs to be a turnpike exit on Highway 31. This would allow those living in Harveyville only a 15-20 minute drive to Topeka or Emporia. This would make the housing market soar here and open up all kinds of economic development.	6/5/2018 6:17 PM
12	Our neighborhood has steadily gone downhill in the last few years. The rental homes are in very poor condition and, unsightly.	5/30/2018 3:08 PM

16	It would be nice to have things for those who are retired to do as well as more activities for kids.	5/23/2018 9:17 AM
17	County Commission does not support development. There needs to be more incintive to entice young families and new businesses.	5/22/2018 9:50 PM
18	Zoning should focus on development adjacunt or within city's and towns The rural nature of the county should be preserved. Scattered development should be discouraged. Eg no industrial wind farms or pasture homes.	5/20/2018 3:37 AM
19	Get out of unelected, unconstitutional regional planning council.	5/19/2018 7:47 PM

21	Tax breaks for new businesses income would spur some growth, county would make money off of sales tax. Employee income taxes etc, improvements to properties. There is a decent of agri tourism that WB county could participate in bringing people from area cities to. Perhaps a POW/new deal museum at lake Wabaunsee barracks. Capitalize on highway 4, 99, and 31 motorcycle routes. Do more to advertise area rodeos in Topeka, manhattan, and KC.	5/19/2018 3:26 AM

25	Development of trails and outdoor spaces is key	5/18/2018 6:44 PM
26	We need to focus on young people and attracting them to our communities. Make housing (aka rentals) more available, bring in businesses so they can have jobs, offer events for young adults, have programs for things like loan forgiveness for living in the county. You can improve and revive these communities and still keep the small town feel! Add more of an emphasis on kids rec programs. Add a rec department paid position.	5/18/2018 5:52 PM

31	Please spend \$ on MV fields! If we had a younger child and seen that our kids would be going to school at a school that doesn't have a track, football field, baseball, softball.	5/18/2018 10:44 AM

35	I like living in a rural community. If I wanted to live in a larger town I would like in Manhattan or Wamego. I like the slower pace lifestyle of our communities. Wish there was more options for local gyms and child care and wish that the houses in our community were more nicely kept.	5/18/2018 9:33 AM
36	Communities need a neighborhood revitalization to destroy old, dilapidated houses, and incentives to build new houses and businesses.	5/18/2018 8:58 AM
37	The county is dying do to past and present county commissioners. Their attitude of "We don't want to attract the wrong kind of people" has killed the county due to lack of any economic development. they need to understand "NO JOBS-NO PEOPLE!"	5/18/2018 4:00 AM
38	The lack of dependable high speed Internet is currently the largest hurdle to development. The unwillingness of the KCC to motivate Century Link to improve or sell the exchange to TcTelco needs addressed.	5/17/2018 10:55 PM
39	Keep it quiet and beautiful	5/17/2018 8:30 PM
40	The need for more businesses to increase tax base. The need for duplexes or apartment complexes that aren't section 8 housing.	5/17/2018 4:47 PM
41	There are no retirement facilities or activities unless you reside in the nursing home. Thank goodness for extension work!	5/17/2018 4:20 PM

52	There are a lot of people passing through Wabaunsee County, but it would be great to have some of them stop and enjoy the place we love as well. We need to provide the opportunities for people to do that.	5/16/2018 1:58 PM
53	Communities need to work together to cross-promote and support each other. There is a sense of animosity between communities in the county.	5/15/2018 3:08 PM
54	None	5/13/2018 1:57 PM
55	Most of the communities are going to survive as bedroom communities to the Manhattan, Topeka, and Wamego. Improvements should be aimed toward this, as there is neither enough people or infrastructure to pursue big business.	5/11/2018 9:39 AM
